IMPORTANT NOTES

Lifts cannot be arranged but where cars are shared, travel costs of 28p per mile should be shared equally between passengers.

Walking boots are essential for hill/mountain walks. It is advisable to carry waterproofs on all walks. Extra layers of clothing should be carried for hill walks. Members should provide their own packed meals and drinks for the expected duration of the walk. To safeguard parties the Leader has the right to refuse to take a member who is not properly equipped.

Neither the Leader nor the Group can accept any liability for loss, damage or injury incurred on any of the Group activities.

Dogs may be brought only with the prior consent of the Leader and must be kept on a lead.

All walks are graded by terrain and length in miles, the length is approximate but it is as accurate as possible. The degree of difficulty is based on the terrain being walked and can be interpreted as follows:

- Easy:** Walks on paths which are reasonably level ground at an easy pace.
- Moderate:** Walks on paths which involve rougher ground and some hill walking.
- Strenuous:** Walks on rough ground with strenuous hill climbs and can be at a faster pace.

Prospective members should contact the Membership Secretary.

Cheques should be made payable to RA East Cheshire Group

There is a separate programme of midweek daytime walks, which take place each Tuesday and Wednesday. Contact the membership secretary for a copy of the midweek programme.
